Property Description

One of the only few large beachfront estates! Also great bed-and-breakfast or boutique hotel opportunity just a few steps from one of the best surf breaks in Santa Teresa. This property consists of 2 separated plots, one

is a Concession (Maritime Zone Land) of 6237 square meters - 1.5 acres and the other one is a street front Commercial lot of 1913 square meters - 0.4 acre. The 7-bedroom, 7-bathroom home is built on the maritime zone land. 1737 square meters of this ZMT land is zoned for low density residential (25% footprint) allowing for ample space for additional building and meandering through the grounds. The remaining area (4500 square meters - 1.1 acres) is a protected area so you are guaranteed it will always stay lush. The commercial area is a truly unique opportunity for those looking to own one of the last commercial spots available that are connected to the beachfront ZMT land.
