Property Description

Los Sueños Resort and Marina, situated along Costa Rica's Central Pacific Coast, is renowned as the Billfish Capital of the World. This exceptional destination offers an opulent entryway to thrilling inshore adventures and boasts the world's finest offshore marlin fishing. Within Los Sueños Resort and Marina, you'll discover prestigious condominium developments that cater to both permanent residents and vacationers. Fishing enthusiasts are drawn to the top-notch marina, featuring the country's largest fleet of skilled game fishing captains and vessels. Additionally, the resort boasts an 18-hole championship golf course, making it ideal for

those seeking sport fishing and golfing experiences. Herradura Bay, where Los Sueños is nestled, offers a range of conveniences, including a spacious supermarket, banking facilities, medical services, a pharmacy, and various stores. The location is conveniently situated just an hour and a half drive from San Jose, Costa Rica's capital, and an hour and 15 minutes from the airport.
