Property Description

Welcome to the exquisite "Château Montage," a magnificent residence in the enchanting "Whales Coast" region just south of San Jose, Costa Rica. This one-of-a-kind estate seamlessly blends luxury with the natural beauty of southern Costa Rica, reminiscent of the French Riviera and Big Sur? California's coastal

charm. The Concept: Château Montage is an architectural marvel meticulously designed to captivate your senses and offer extraordinary experiences. It effortlessly merges with the breathtaking surroundings, boasting meticulously curated gardens filled with vibrant tropical flora. Designing for Family and the Landscape: This family-friendly compound celebrates the dramatic coastline of southern Costa Rica. It offers spacious living, fostering togetherness and shared experiences. The lush gardens and resplendent swimming pool create an oasis of relaxation. Meticulously selected furniture and artworks steeped in tradition grace the interiors, evoking a deep connection.
