## Property Description

This one-of-a-kind Tree House Villa property is perfect for someone wanting to earn an income while living high amongst the rainforest canopy. The main house, recently built, features a large living room area, a beautiful modern kitchen with new appliances, 1 and a ½ bathrooms, a spacious pantry, and a laundry room, all located on the main floor. Downstairs, there is a second room with a ½ bathroom, currently serving as the reception area but can also be used as a second bedroom. Outside the reception area, a large parking area with a brand-new stone driveway and an artistically made automatic gate with keypad/Wi-Fi allows private access to the property. The current owners have installed a camera/security system and made major renovations, leaving the property in pristine condition. The home is being sold fully furnished. The views from the main house and villas are breathtaking, elevated above the trees with magnificent views of the Ojochal mountain range as a backdrop.
