Property Description

This exclusive property offered by Coldwell Banker is surrounded by lush vegetation and beautiful dropping mountain views, located in a tranquil area full of fresh air. The gated community of which this house is part is 7 minutes from Downtown Atenas. The house is built with good quality. The living room is spacious and bright, with windows flooding the space with natural light and offering views of the outdoors. It features 2 comfortable rooms for rest and relaxation. It also has a great terrace to enjoy the wide surroundings. The exterior of the property features a beautiful garden with vibrant flowers, a well-maintained lawn, making it a perfect place for outdoor activities and entertainment. The pool was previously a community pool, but all surrounding houses have their own pool so this pool can be used exclusively for this house. The house also has its own 1 car carport. The house has been on Airbnb for several years and has a great income if you are looking for an investment.
