Property Description

Casa Miraflores is an elegant colonial-style residence located in the exclusive Reserva de Golf community within Hacienda Pinilla. Set on a 2,458.86 m² lot, this spacious 6,500 sq ft estate offers four bedrooms, five and a half bathrooms, service quarters, generous indoor and outdoor living areas, and refined architectural details throughout. From the moment you arrive, the property makes a strong impression with its grand entrance, stately columns, circular driveway, mature tropical landscaping, and a striking silver Bismarck palm as a central focal point. The home's design combines classic colonial character with the comfort and scale expected from a luxury residence in one of Costa Rica's premier gated communities. The two-level floor plan is ideal for both private relaxation and entertaining. Upstairs, two expansive primary suites offer king-sized beds, walk-in closets, jacuzzi tubs, private balconies, and peaceful views.
