Property Description

Introducing a stunning new 3-bedroom home in Atenas, designed to offer panoramic views. This brand-new construction was completed in December 2023. This beautiful single-story residence features 3 bedrooms, 2 bathrooms, a generous living space, a laundry area, and an enclosed garage with covered parking for two vehicles. The expansive terrace spans the length of the house, providing the perfect spot to enjoy breathtaking vistas. Additionally, the backyard offers ample space for a potential swimming pool. Located within a pristine, gated community of approximately twenty lots, this home is just a short 12-minute drive from the charming town of Atenas. Known for its welcoming atmosphere, Atenas boasts a diverse community where both Costa Ricans and expatriates live harmoniously. Don't miss out on this rare opportunity—properties in this desirable area of Costa Rica are in high demand and limited supply.
