Property Description

Nestled in the mountainous area above Tilaran, this spacious and finely crafted residence sits on 2.5 acres of expertly maintained gardens. It boasts four generously sized master suites with luxurious private bathrooms featuring both tubs and showers, along with an additional powder room. The home also includes a roomy open-plan living, dining, and kitchen space, a laundry area, screened-in porches, elegant ceramic tile floors, high ceilings made of tropical wood, and furnishings such as cabinets, doors, and trimmings. The aluminum-framed windows and sliding doors, granite countertops, modern appliances, and bespoke furniture add a touch of sophistication. Revel in the breathtaking views of Tilaran, the Guanacaste lowlands extending to the Gulf of Nicoya, and stunning sunsets visible from most parts of the house and porches. The property encompasses a caretaker's dwelling and has ample room for a pool and additional constructions.
