This space is perfect for entertaining, with ample room for outdoor furniture. Nearby, you'll find a convenient storage room and a half bath for guests. An expansive multi-purpose room offers endless possibilities—it could serve as a fantastic entertainment room (think pool table or home cinema), a workshop, or even a guest suite. Adjacent to the pool is a charming casita, ideal for use as an office, studio, or guest house. Ascending the stairs from the terrace, you enter the living and dining area, which flows seamlessly into an open kitchen featuring granite countertops and stainless-steel appliances. The first thing that will capture your attention is the breathtaking view, framed by large glass doors and windows.
