Property Description

This home has a nice feel to it with the kitchen and living room downstairs, 2 bedrooms both with private balconies on the second floor, and a 3rd-floor loft that makes a great 3rd bedroom. The best thing about this property is the location. It is a 3 min drive or a 10 min walk to Dominical and the beach. If you don't like the long gravel mountain roads then this place is perfect for you. It is also a great location for a vacation rental. There is plenty of room to add a pool, build another home, or even segregate the property. The hotel Rio Mar is within walking distance and they have a great restaurant and a pool that you can relax by while enjoying a cold beverage!! The seller is motivated and has priced this home and property to sell.
