Property Description

Discover the Perfect Investment Opportunity in Santa Cruz This exceptional listing presents two adjacent lots ideally positioned between Ortega and Bolsón, offering a rare balance of peaceful countryside living and convenient access to key destinations throughout Guanacaste.

Lot Details:
Lot 1: 3 hectares
Lot 2: 1.7 hectares
Both parcels include approved water permits, providing a valuable advantage and making them ready for immediate development. Whether you envision building a private estate, launching an agricultural project, or securing land in a high-potential growth corridor, this offering represents a solid and versatile investment.

Prime Location & Nearby Landmarks
The property enjoys close proximity to some of the region's most sought-after destinations:

- * The vibrant surf town of Tamarindo – approximately 45–50 minutes away
- * The stunning shores of Playa Conchal – about 1 hour away
- * The charming coastal village of Playa Flamingo and the modern Flamingo Marina – roughly 1 hour away
- * Parque Nacional Rincón de la Vieja – known for hiking, waterfalls, and volcanic landscapes – approximately 1 hour and 15 minutes away
- * Daniel Oduber Quirós International Airport in Liberia – about 1 hour away

Offered at \$120,000 for both lots, this is a compelling opportunity to secure substantial acreage in a steadily growing and highly desirable region of Costa Rica.
