Property Description

This magnificent home was designed to fully enjoy the spectacular views from any of the rooms of this home. The property sits on 5098 m² of land. There are 2 master suites on the second floor, 2 bedrooms on the first floor, and /or a room for an office or den. The home is 395m² (4250 sq.ft) and the rancho is 70m² (760 sq.ft) ~ plenty of indoor / outdoor living spaces for you to enjoy. As you enter the home, the first thing you notice is the floor to ceiling sliding glass doors framing the outdoor views of the swimming pool and the valley beyond. Off to the right of the living room is a spacious kitchen with granite countertops, beautiful wood cabinets and walk in pantry. To the left of the living room is the den, a spacious bedroom and bathroom with shower. The gorgeous wood bannister and stairway lead to an open concept landing with an impressive view to the pool and the mountains and valley beyond.
