Property Description

This beautiful custom luxury home at the base of the coastal mountain range in the exclusive community of Avancari. This 3 bedroom 3.5 bath home comes the finest in furnishings, fully loaded kitchen with marble countertops, and much more! Each bedroom has huge sea views looking out over the Terraba River Basin, and out to the Osa Peninsula, and majestic mountain views with views of cascading waterfalls during the rainy season. The home is perched along the banks of the Tortugita River, with wood decking overlooking the cascading sections of the river, and you receive the soothing constant sounds of the rushing river below, as well as the cool breezes. Avancari offers endless hiking and mountain bike trails throughout the project, and several waterfalls all over 70 feet tall for guests to explore. No shortage of nature, and completely organic community!
