Property Description

Ocean and river view land for sale in Coronado, Costa Rica. This build-ready property offers utilities on site and stunning jungle surroundings, a truly unique opportunity in the sought-after community of Ojochal. This beautiful property offers a rare combination of ocean views, river views, and lush jungle surroundings, creating a setting that captures the essence of Costa Rica living. Set on over 1.3 acres, the land provides multiple vantage points where you can enjoy refreshing breezes and stunning natural scenery, including views of the Térraba River and mangroves and ocean. One of the key advantages of this property is its ready-to-build status. Both water and electricity are available at the property line, making it easy to begin your project without the common delays found in more remote areas. The size and layout of the land make it ideal for: A private residence with guest house A vacation home with rental potential A boutique-style jungle retreat With a river on the back.
