Property Description

Welcome to your dream home in Santa Teresa Beach, Costa Rica — a fully built, turn-key 3-bedroom, 3.5-bathroom villa in a high-demand location, just a short walk to world-class surf, trendy restaurants, boutique shops, and the town center. Sitting on a 1,469 m² titled lot with 250 m² of high-quality construction, this modern property features top-tier materials, including Italian stucco and treated pine and roble wood (insect-resistant). Designed for comfort and style, it includes a private swimming pool, BBQ area, fiber optic internet, electricity, and public AYA water—plus it's prepped for solar energy. With residential zoning allowing up to 75% build coverage, and approved permits and renderings for a second home, this is an ideal property for those seeking a luxury residence, vacation rental, or Airbnb investment in one of Costa Rica's hottest real estate markets.
