Property Description

House for Sale Near La Paco in Escazú. The house has two floors arranged as follows: First Floor: Features a garage for two large vehicles, designed to install an electric vehicle charger, a spacious living-dining room with space for a bar, a fully remodeled kitchen with quartz countertops, European cabinetry, fine faucets, and all appliances included, a terrace with a BBQ area and a large utility room, a spacious laundry area, a utility room with a full bathroom that can be converted into a fourth bedroom with separate access, and a garden ideal for pets. Second Floor: Features a very spacious TV room, two large bedrooms with walk-in closets that share a bathroom, and a spacious master bedroom with a walk-in closet and a bathroom with fine finishes and a Jacuzzi. The house has a mezzanine that was transformed into a home theater with soundproofing and a large reinforced storage room. This house was completely remodeled with the finest finishes, including high-end faucets, smart lighting, electric curtains, and more.
