It features 2 bedrooms, 2 bathrooms, a dedicated office, a spacious open-concept kitchen, dining, and living area, a laundry room, and a large covered terrace accessible from every bedroom and the main living area. Outside, a solar-heated pool invites you to relax and unwind. Throughout the home, high ceilings with exotic wood finishes add charm and elegance. The tiled roof helps maintain a comfortable indoor temperature year-round. The property also includes a large covered carport for two vehicles and—rare in this area—a fully enclosed garage, perfect for storing tools and more.
