Property Description

Casa Selva Vida – A Masterpiece of Jungle Luxury in Uvita The anticipation is over, and the reality exceeds every expectation – Casa Selva Vida is finally complete, and it is simply breathtaking. Located in a privileged position in the heart of Uvita, this extraordinary estate spans over 3.25 acres of private jungle paradise, where luxury, nature, and design meet in perfect harmony. Surrounded by lush rainforest and bordered by a creek with small cascading waterfalls, this home is a dream realized for the most discerning buyer. From the moment you arrive, it's clear that Casa Selva Vida is no ordinary home – it's a statement of architectural elegance and tranquil living. Even before stepping inside this exclusive jungle estate, you'll find yourself immersed in awe—captivated by design elements so refined, so imaginative, they could only have come from the visionary mind of a former VP of LVMH, whose mastery of luxury is etched into every flawless detail.
