Property Description

Located in the vibrant heart of Santa Teresa, this fully operational vacation rental property offers an exceptional investment opportunity. Featuring two modern, fully furnished apartments and a shared swimming pool, it's a turnkey business ready to generate immediate income in one of Costa Rica's most sought-after beach destinations. Set on titled land and just a short walk from the beach, restaurants, supermarkets, and lively nightlife, the property enjoys year-round demand for short-term rentals—making it ideal for investors seeking strong returns and long-term growth.

Key Features:

- Two fully equipped apartments
- Two master bedrooms in each unit, each with en-suite bathrooms
- Modern kitchens with high-end appliances
- Spacious private patios
- Shared swimming pool
- Tastefully furnished and move-in ready
- Titled property in central Santa Teresa
- Walking distance to the beach, shops, and restaurants
- Located in a quiet, highly desirable neighborhood with strong rental appeal
- Expansion Potential: The property has been structurally designed to support the addition of two more apartments on a second floor.
