Property Description

Located in the central hub of the growing community of San Francisco de Coyote, Casa Lilliana presents an excellent opportunity for both residential use and commercial development. Just 4 km from the renowned beaches of Costa de Oro, Playa San Miguel, and Playa Coyote, this property offers a strategic combination of tranquility, accessibility, and expansion potential. The house, featuring a classic rural design that is simple yet functional, sits on a spacious lot that offers more than enough room for future construction, remodeling, or even the development of a full-scale tourism project. In addition, the property includes its own private water well equipped with a pump and approximately 20 meters in depth, ensuring a reliable, independent water source and a valuable asset for any future project. It also has a municipal water meter connected to the town's main aqueduct, ensuring uninterrupted water service at all times.
