Property Description

Located within the serene Cañafístola Private Reserve, this 5,400 m² (approximately 1.33 acres) property offers a unique combination of privacy, tranquility, and development potential. Surrounded by lush vegetation and peaceful landscapes, the property includes a charming, fully equipped home of 75 m² that is move-in ready. The house features one spacious bedroom, a full bathroom, a bright and airy living space with beautiful mountain views, a fully equipped kitchen, a separate laundry room, and air conditioning throughout. A large covered terrace provides the perfect place to relax and enjoy the natural surroundings. In addition to the main residence, a second structure has been started and built up to the foundation stage. All permits are already in place, offering the opportunity to finish this space as a guesthouse or a future income-generating rental. The property also holds permits for the construction of additional villas, making it especially attractive for anyone looking to establish a vacation rental project, eco-lodge, or multi-family estate in a natural setting.
