Property Description

This bright and stylish 3-bedroom home features a tropical modern design that blends seamlessly with the lush nature and panoramic mountain and ocean views that surrounds it. The home is composed of three suites, all with king size beds, en-suite bathrooms, fully equipped and their own ocean view private deck. The primary bedroom features a walk-in closet, double sink, shower and private tub, as well as an extra room that can either be used as an office with panoramic mountain views or an extra bedroom. This home offers privacy, warmth and a refined aesthetic in the heart of the jungle. Built to the highest standards, the home is built of solid concrete with hardwood accents thoughtfully included throughout the house. The open plan kitchen is fully equipped and connected to an ample living room, pool area and front yard. The interiors were designed to be cozy yet luxurious, with custom made furniture and finishes.
