Property Description

Discover this beautifully crafted, contemporary three-bedroom home located in the rapidly developing area of Uvita's Bahia Ballena. This newer construction offers an open floor plan with indoor-outdoor living at its finest, making it ideal for year-round residence, rental investment, or multi-generational living on over 1/4 acre lot (1018sqm)! The home features a gorgeous teak kitchen, complemented by a handcrafted teak Bali door that serves as a striking entrance. Set amidst lush greenery and mature tropical landscaping, this property provides a true feeling of privacy and tranquility, a tropical oasis at your doorstep. Imagine waking up to the sound of birdlife, surrounded by vibrant foliage, with mountain views adding to the serene atmosphere. Additionally, a separate Casita provides a lucrative rental opportunity, generating approximately \$24,000 annually — perfect for investors. The property is a short walk from the renowned Whale's Tail National Park and Chaman Beach, where some of the best surf in the region attracts surfers from around the world.
