Property Description

Nestled in the lush tropical surroundings of Cahuita, Limón, this adorable 3-bedroom, 1-bathroom wooden chalet offers a unique blend of rustic charm and Caribbean tranquility. Built in a cozy loft style with warm natural wood throughout, the home features an inviting upstairs bedroom that adds a touch of whimsy and openness to the design. Spanning 130 m² of thoughtfully crafted construction on a generous 1,035 m² lot, this very well-maintained property is a true gem—cute, unique, and impeccably cared for. Wake up to breathtaking views of the surrounding forest, where wildlife abounds, and fall asleep to the soothing sound of the ocean waves in the distance. Perfectly located just a quick 5-minute drive from the vibrant center of Cahuita, you'll enjoy easy access to local restaurants, shops, and the entrance to Cahuita National Park. While the home is close to the sea, it offers peaceful privacy without direct beach access, making it an ideal retreat for nature lovers seeking serenity.
