Property Description

Residences Overview Arcadia at Central Park presents a limited collection of just 26 luxury residences rising across 14 private floors, with only two residences per level and culminating in two exceptional dual-level penthouses. Designed for privacy, scale, and architectural distinction, each residence reflects a modern, residential lifestyle in one of Escazú's most sought-after locations. Every home features expansive 270-degree views, capturing sunrise and sunset vistas, Central Park greenery, and sweeping panoramas of the Central Valley or Escazú's mountain landscape. Open-concept interiors, generous proportions, and refined finishes define each residence, delivering a seamless balance between sophistication, comfort, and livability. Designed by the award-winning Marlo Trejos Arquitectos, Arcadia at Central Park stands as a benchmark for contemporary luxury living in Costa Rica. **Residence Highlights:** Triple Exposure Views Panoramic outlooks over Central Park, the city skyline, and surrounding mountains from every residence.
