Property Description

Reduced from \$370,000 Welcome to Villa Serenity, a rare opportunity to own a fully equipped, gated 3-bedroom with private pool in one of Quepos' newer communities. Designed with an open-concept layout and high-end finishes throughout, this turnkey home effortlessly blends modern luxury with tropical living—making it ideal as a full-time residence, second home, or high-performing vacation rental. From the moment you arrive, Villa Serenity makes a statement. Electronic gated access opens to a custom locally crafted steel privacy fence with paver-stone parking for two large vehicles. The front door itself is a work of art, featuring pivotal hardware and digital entry (via card, code or key access) for a truly grand arrival. Inside, soaring ceilings and a full wall of bi-fold doors create a seamless indoor-outdoor flow, opening the entire living space onto a lush tropical terrace. The private pool with multi-level distribution is enhanced by a custom mural by a local artist, serves as the heart of the villa, with living areas and bedrooms thoughtfully arranged around it to provide calming water views throughout the home.
