Property Description

Recently completed and turnkey, this designer residence sits on nearly one hectare (just under 2.5 acres) of lush Nosara property, delivering more than 8,000 square feet of indoor & outdoor living space thoughtfully designed to be experienced and enjoyed. Recently completed, built with a focus on high-quality finishes and durable tropical materials. Thoughtful site planning to maximize natural light, ventilation, and outdoor connection. A rare blend of ocean and river views can be savored from multiple areas of the home, while underground electrical infrastructure preserves sightlines and the clean, uninterrupted vistas that define this setting. Elegant, sun-drenched interiors meet tropical calm, creating a sanctuary for daily life and unforgettable gatherings. The land is nearly 1 hectare (approx. 2.4–2.5 acres). The home interior/exterior is over 8,000 square feet with four bedrooms and five bathrooms and the ability to convert spaces into a fifth bedroom.
