Property Description

Discover Your Tropical Retreat: Charming 1-Bedroom Home Near Cahuita National Park in Costa Rica. Nestled just steps from the Puerto Vargas entrance to the stunning Cahuita National Park, this delightful 1-bedroom, 1-bathroom concrete home offers the perfect blend of comfort, convenience, and Caribbean charm. Priced at an affordable \$120,000, this property is an ideal escape for nature enthusiasts, retirees, or anyone seeking a serene Costa Rican lifestyle amid lush rainforests, pristine beaches, and abundant wildlife. Spanning 646 square feet on a generous 275-square-meter lot, the residence features durable construction with high aluminum frames, ensuring longevity and low maintenance in the tropical climate. Step inside to find a versatile living area currently utilized as an educational space for children with special needs—easily convertible back to a cozy living room for relaxation or entertaining.
