📍 Uvita, Puntarenas

For Sale

\$375,000

ID: 25326

• Property Type: Land • Size: 4,866 sq m • 1.2 Acres

Property Description

This elevated ocean-view lot above Uvita offers a rare blend of usable land, iconic views, and peaceful jungle surroundings, ideal for buyers seeking a refined single-home retreat in Costa Rica's Southern Pacific zone. Set at a comfortable elevation, the property captures direct views of the Pacific Ocean and Ballena Rock, framed by treetops and open sky. The perspective feels wide and natural—an ever-changing seascape that brings light, breeze, a perfect canvas for any future home design. With 4,866 m² (1.2 acres), the lot is perfectly sized for a private residence without the maintenance or complexity of a larger parcel. A flat, build-ready plot and legal water make this a practical option for buyers ready to move forward with confidence. The surrounding jungle provides privacy, wildlife, and a tranquil atmosphere, while the location remains just minutes from Uvita's beaches, restaurants, schools, and daily services.
