Property Description

Welcome to effortless Nosara living—where contemporary design meets the laid-back rhythm of the jungle and the beach. This beautifully appointed 2-bedroom condominium is located in the Esperanza pueblo of Nosara. The development complex is currently upfitting walkable shops, restaurants, banking and daily essentials while the complex remains tucked into a thoughtfully designed, nature-forward development. The condo is part of a modern community that blends comfort, functionality, and sustainability. Residents enjoy shared amenities including a resort-style pool and relaxation spaces, BBQ area for gathering with friends, a professional workspace, and onsite management—ideal for full-time living, vacation use, or rental income. Designed with environmental responsibility, the development preserves green areas, incorporates wastewater treatment, and features landscaping that respects and enhances the surrounding natural ecosystem.
