Property Description

This tropical Shangri La pool home is perfect for entertaining both indoors and outdoors as it has a beautiful outdoor entertainment area and a huge chef's kitchen indoors. Outdoors, the pool is the focal point with jacuzzi jets on one end and a swim up bar on the other, with cook top, sink and refrigerator for BBQs, gatherings, pool parties and easy enjoyment of the year round tropical climate. There is also a full bathroom poolside, plus an additional outdoor shower too. The outdoor entertainment area features high ceilings with fans and beautiful stonework and art. Indoor entertaining is easy with the home's oversized kitchen with stainless steel appliances, granite counter tops and extended breakfast bar. This beautiful, exclusively listed home features covered patios surrounding it on every side, including a three car ceramic tile carport that is so pristine, you can use it as an extra outdoor entertainment area or easily convert it to additional living space.
