Property Description

Perched in the prestigious hills of Santa Teresa, this architectural ocean-view villa is one of the most striking contemporary homes currently available in the area. With 700 m² of construction on a 5,247 m² lot, the property offers 6 bedrooms and 6.5 bathrooms, blending bold design, privacy, and breathtaking Pacific Ocean views. Originally completed in 2021 and further enhanced in 2024 and 2025, the home is move-in ready and built for both luxury living and high-end rental performance. Designed to embrace the dramatic hillside setting, the upper-level living area opens seamlessly to expansive terraces with panoramic ocean views. The open-concept main kitchen anchors the social area, while a separate fully equipped butler's kitchen allows for effortless entertaining and service. Key features include:

- 6 bedrooms with en-suite bathrooms
- 2 bedrooms with ocean views
- 3 bedrooms with jungle views
- Large terrace with infinity-style views
- Rooftop terrace with plunge pool
- Outdoor dining area ideal for sunset gatherings
- Separate guest/staff suite with private entrance and full kitchen
- Security system
- Private parking

The rooftop level elevates the experience even further, offering a plunge pool, dining space, and versatile area perfect for yoga, outdoor gym, creative studio, or home office, all surrounded by ocean breezes and spectacular sunsets.
