Property Description

Modern 3 Bedroom Home with Mountain & Green Views in Guachipelín, Escazú – Largest Model with MezzanineID25813
Live surrounded by nature in one of the most serene condominium settings in Guachipelín, Escazú. This modern home is positioned beside a green ravine and creek, offering open mountain views to the right, sunset skies to the left, and no homes directly in front—just uninterrupted greenery and privacy. This is the largest model in the condominium, featuring both a mezzanine/third level and a maid's room with full bathroom—ideal for families seeking extra space and flexibility. The main floor offers a bright open-concept layout where kitchen, dining, and living areas integrate seamlessly. Sliding doors connect to the L-shaped garden, perfect for family barbecues, outdoor gatherings, and relaxed afternoons surrounded by fresh greenery and pine trees. The first level also includes a guest bathroom, laundry area, storage space, and maid's quarters with full bathroom.
