Property Description

Business Potential – Boutique Living, 6 Units (2 & 3 Bedrooms), 100% Occupied ID26020This boutique apartmentbuilding is strategically positioned within a consolidated, high-value market. Its location combines residential tranquility with immediate proximity to commercial, financial, and service hubs, making it highly attractive to the middle-class rental segment seeking accessibility and quality of life. Location & Accessibility: - Surrounded by shopping centers, offices, and essential services. - Direct connectivity to the capital city and major highways. - Situated in a high-demand rental area, ensuring full occupancy and stable returns. Market Perspective: The 100% occupancy rate demonstrates strong and sustained demand from the middle-class segment. This tenant profile values practical, well-located housing solutions, positioning the asset as a reliable income generator. Growth Opportunities: - Internal subdivision: Potential to reconfigure larger units into smaller apartments, increasing rental density and maximizing yield per square meter.
