Property Description

This nearly new home is located in an established community in Atenas, set on a 728 m² lot with a beautifully landscaped garden. Designed on one level, the house offers a bright and elegant layout with three bedrooms, two bathrooms, and a guest restroom, along with a spacious open-plan kitchen and living area. A pantry and indoor laundry room add everyday convenience. The outdoor living spaces are a true highlight of the property, featuring a covered terrace used as the main dining area, ideal for enjoying the tropical climate. Next to the solar-heated pool, a stunning rancho with an elegant wooden structure, solid wood columns, and a synthetic palm roof creates a refined and inviting space for entertaining. The primary suite stands out with refined finishes, featuring a striking wood-accent wall, a beautifully designed walk-in closet, and a unique en-suite bathroom. Throughout the home, attention to detail and quality craftsmanship create a true sense of comfort and sophistication.
