Property Description

Experience elevated coastal living in this exceptional golf-front residence within Hacienda Pinilla, one of Costa Rica's most prestigious resort destinations. Positioned on hole 5 of the golf course, Casa Guana Lux enjoys a uniquely private setting along a lush forested corridor creating a natural buffer filled with wildlife and tropical beauty. Built in 2025, the home features 4 spacious bedrooms, each with en-suite bathrooms, and a modern tropical design that seamlessly blends indoor and outdoor living. Clean architectural lines, natural materials, and signature open-air bathrooms bring nature into every space, while expansive living areas flow effortlessly to the outdoors. The private pool and shaded terraces overlook both jungle and fairway views, offering a peaceful setting for relaxation or entertaining. Residents enjoy full access to Hacienda Pinilla's amenities, including golf, beach access, equestrian facilities, tennis, pickleball, trails, and the renowned Beach Club at Playa Avellanas.
