Property Description

Situated along the main road to Santo Domingo, this exceptional property puts the very best of Playa Sámara right at your fingertips. Whether you are looking for a serene private retreat or a high-performing income generator, this estate offers a rare blend of convenience and tranquility. Prime Location: Enjoy the perfect balance of peace and accessibility. You are just a short drive from local amenities and a comfortable 10-minute walk to the beach. Two Designer Units: Two beautifully crafted, move-in-ready homes featuring contemporary finishes and stylish architecture. Expansion Potential: The property comes with approved plans for a third unit, allowing you to maximize the footprint and value of the estate. High Income Potential: Thanks to its strategic location and turnkey design, this is a prime candidate for high-yield vacation rentals or a multi-family compound. Don't miss out on this versatile investment in paradise.
