Property Description

Positioned just two blocks from the white sands of Playa Blanca, Iguana Villas #6 offers a rare combination of upgraded finishes, functional design, and immediate livability within one of Playa Junquillal's most established coastal enclaves. Iguana Villas is a boutique collection of ten standalone residences—legally structured as condominiums—delivering the privacy of a single-family home with the simplicity of managed ownership. Villa #6 boasts a spacious 135 m² (1,450 ft²) of interior space and 158 m² (1,700 ft²) of covered outdoor areas. High ceilings and an open-concept design create natural airflow and a sense of volume throughout the home. What sets Villa #6 apart is the level of finish and furnishing. The kitchen has been fully remodeled with custom teak cabinetry, granite countertops, and the addition of a central island—creating a more functional and social cooking space.
