## Property Description

This 4-bedroom, 2-bathroom home is located in the well-established Phase 5 of Ojochal. Built in the popular Ecomaderas style, the property features high-quality pressure-treated wood construction and vaulted hardwood ceilings, providing a warm, natural feel that integrates perfectly with the tropical surroundings. Key Property Features: Spacious Layout: An open-concept living and kitchen area with high ceilings for excellent natural airflow. 4 Bedrooms / 2 Bathrooms: Ample space for family or guests, with large windows throughout to bring in natural light. Outdoor Living: Large covered wrap-around terraces designed for outdoor dining and lounging. Private Pool: An inviting pool area with a concrete deck, positioned to overlook the ocean. Panoramic Views: Clear views of the Pacific Ocean, coastline, and the lush Ojochal mountains. The Location: Phase 5, Ojochal: Known for its elevation, which provides cooler mountain breezes and more privacy than lower-lying areas.
