Property Description

This architectural masterpiece offers a seamless blend of contemporary luxury and tropical serenity within the prestigious Phase 5 community. The brand-new residence features two spacious bedroom suites and two-and-a-half spa-inspired bathrooms, all framed by breathtaking views of the Pacific Ocean and the lush jungle canopy. The home is defined by its striking butterfly roof and rich wood ceilings, while massive floor-to-ceiling glass walls dissolve the boundaries between the interior and the expansive outdoor terrace. At the heart of the open-concept living area, a gourmet kitchen showcases a waterfall quartz island and custom sage-green cabinetry, complemented by a unique nature-view backsplash window. Designed for an indoor-outdoor lifestyle, the living spaces flow directly onto a wide covered deck and a stunning infinity-edge pool. This high-elevation location captures consistent ocean breezes and world-class sunset views, providing a private sanctuary just minutes from Ojochal's renowned fine dining and pristine beaches like Playa Ventanas.
