Property Description

Escape reality into the sanctuary that is Oasis de Vida. This villa, which is brand-new to the rental market, is a sprawling, Bali-inspired haven tucked into the sought-after G-Section of North Guiones. While most rentals in Nosara feel close together, this estate sits on a unique double-access lot. Oasis de Vida offers a level of privacy and lush garden space that is rare for being so close to the waves. Whether you are here to surf, for a yoga retreat, or a multi-generational family getaway, this home is designed to be your private tropical escape while being remarkably close to all of what Guiones has to offer. Because the G-Section is one of the most popular areas in Nosara, Oasis de Vida is a rare find, offering the energy and convenience of being "in town" while providing a massive, private lot that feels like a secluded jungle sanctuary. Once you step inside the gates, Oasis de Vida offers complete privacy.
