Property Description

Regenerative & Wellness Villa with Ocean Views SKY is a state-of-the-art wellness Villa and Sanctuary, intentionally designed for the ultimate regenerative lifestyle. Sky is not another contemporary, impersonal vacation rental. It's a unique, consciously curated beach home where wabi-sabi meets barefoot luxury, where you may enjoy sweeping ocean views and top-notch amenities for a truly regenerative stay. Located in a quiet dead-end street, at Sky you are wrapped in the perfect refuge of jungle beauty, surrounded by exotic wildlife, while the world-class surf break of Playa Guiones remains just a short 3-minute drive down the hill. Space Designed around the concept of sanctuary, SKY features a multi-level layout integrating its Main House and the Yoga wing, effortlessly accommodating up to 10 guests. The interior design is intentionally filled with places to lounge, rest and savor time together as well as areas where one can meditate in spacious solitude.
