Property Description

Value Value Value !!! Well designed, expertly constructed, 3-Bedroom home with huge backyard and pool. With a beautiful entrance as you drive up and carport, this North American quality style home and property layout is the perfect family home with a swimming pool and flat open backyard for the kids (from 3 to 93) with enough space to play soccer or football. In addition, an additional home or home could be added for rental income if you should choose. Enjoying strolling in your own private estate garden picking your daily fruit from the many tropical fruit trees on the property including the huge mango tree and avocado trees to name a few. A rare find in Costa Rica, this home will appeal to those seeking a more traditional 3 bedroom style home based around the family and home activities. There are 2 bedrooms on the main floor and the huge master bedroom suite and walk-in closet with an ensuite and large terrace upstairs.
