Property Description

This stunning contemporary home designed by Juan Robles is located in a secure and family oriented community in Santa Ana just minutes from stores, restaurants, the Forum and Route 27. Every attention to detail was designed into this exquisite home from the beautiful front door that seamlessly becomes a part of the façade, state of the art lighting, accordion style glass walls in the living room and dining room that open up to the terrace and large back yard, soaring ceilings, extensive use of windows to allow for lots of natural light, to the sleek Italian cabinetry. The living room is 2 stories high and flawlessly extends into the dining room, kitchen that features a large island and outdoor areas. Escape today's hectic lifestyle in your oversized master suite. • 520m2 construction, 1031.85m2 lot • 5 bedrooms with walk-in closets • Luxurious finishes • Media room • Maid's quarters • Large laundry room • Prewired for cable, phone and air conditioning This stunning home is a joy to live in and entertain.
