Property Description

This green paradise is located in Buena Vista, Samara. Providing a very private, true jungle feel, there is a small creek which borders the property which comes to life in the green season. You truly can enjoy all the sounds of wild life while enjoying a nice glass of wine! This property is perfectly located, super close to town and about 15 minute walking distance to three beaches just a short walk to famous Monkey's Bakery and convenience store Iguana Verde. There are two large platforms already cleared, with water and electricity both available offering the possibilities for a private residence plus separate guesthouse and/or a multi-family development, retreat business or build two houses, one on each platform and sell them off separately. This one has tons of possibilities - don't miss this one! For more information on this great lot please contact: bill@coldwellbankersamara.com or 506.
