Property Description

Beautiful ground-floor condo in the exclusive gated Mariner's Point complex in Playa Hermosa. The condo is in a very quiet and serene setting, with stunning ocean/mountain/jungle views and its own private pool. This condo underwent a complete gut remodel less than a year ago, including all-new tile throughout, solid wood kitchen cabinets with quartz countertops, appliances, light fixtures, cove/base/arch door moldings, paint, furniture, beds, Samsung TVs, patio set, remote control fans with lights, mini-split AC's, and so on. On the large covered L-shaped patio, there is a stainless steel propane grill and sink. Sit on the patio and take in the scenery while enjoying the cool breeze. Excellent investment for your new retirement home or as a highly desirable rental unit. The only stairs in this ground-floor unit are from the patio to the infinity edge pool. Playa Hermosa is a Blue Flag beach with restaurants, a grocery store, and even a cinema.
