Property Description

Journey into your own tropical paradise. Rows of palm trees guide you toward a custom-built Bali style home complete with a pool, a guest house, and beautifully cultivated gardens. Watch the sunset over the Pacific Ocean while enjoying the cool mountain breezes on this mountain estate. Upon entering the main house you'll find yourself in a spacious kitchen and living area. A gourmet kitchen, complete with high-end stainless steel appliances will satisfy even the most discerning cook. Display fragrant papaya, pineapple, and mangos cultivated from your own gardens on the large granite topped serving island. Guests can relax in the living area while enjoying the breathtaking panoramic views. Retire to the master suite with en-suite bathroom and relax in the luxurious soaking tub. Enjoy the sunset and watch the toucans as you step into the magnificent pool. The guest house offers two bedrooms, a complete kitchen and living area, and their own spectacular views of both the gardens and shoreline.
