Property Description

PRICE REDUCED FROM \$399,000 TO \$320,000 All on one level, the main house measures 2K square feet. Upon entering the home you are welcomed into a large great room and open kitchen with plenty of beautiful wood cabinets and granite counter tops. Off the kitchen is a separate laundry room with storage area. The extra large master suite and bath has large windows and walk-in-closet. There are two guest bedrooms and one bathroom off the great room. The home is currently unfurnished. The great room has a vaulted ceiling and large windows. There is a large covered rancho adjacent to the side of the home, 2 car attached carport. The front terrace is accented by beautiful decorative wrought iron gates. The large swimming pool is surrounding by a large terrace area covered with decking (no heat and no slip) surface. The property measures 17,937 square feet and completely enclosed with decorative columns and beautiful wrought iron fencing with lighting at each column.
