Property Description

This ideal Playa Hermosa home is a bird watchers paradise! It sits on a hill and enjoys significant ocean breezes. Property size is 1.25 acres giving you room to expand or grow your own food. Short walk to Playa Hermosa Beach. 2 Bedrooms, 2 Baths. Large swimming pool and outdoor entertaining area. Custom kitchen with granite counter tops, and eat on breakfast bar. Huge master suite with custom bath finished in travertine and marble. Oversized walk in master closet with built in cabinetry. Private well. Custom landscaping that creates and protects a unique private living experience. Many different types of fruit trees: mango, orange, grapefruit, limes, guanábana, guayaba. Private international school within walking distance. This great location offers you the beauty of Playa Hermosa while still being only a 10 minute drive to Jaco.
