Property Description

ELEGANZA LUXURY ESTATE "THE HOUSE" When you and your guests step into this home, you can't help but feel the luxury. Every detail, from the design to the construction materials to the finish and furnishings, contributes to its overall elegance: A small fountain on one side of the entryway. Diamond brushed walls. Recessed lighting throughout. Select ceramic tile. Wood, stone, and iron combined artistically. Soaring ceilings. Windows onto the Pacific Ocean and pool area. The living area provides your personal space for casual evenings or engaging conversations, but also allows you to invite friends and guests for dinner parties and special events. From intimate dinners to a houseful of people celebrating holidays, the setting creates an atmosphere you will be proud to share. Just off of the living room are a fully equipped kitchen and dining area with a 24-foot ceiling and natural light from large windows.
